

Groundbreaking For South Bay Center Slated

Ground breaking ceremonies for the new South Bay Shopping Center at 174th St. and Hawthorn Blvd. are scheduled for 11:30 a. m., Monday, according to Robert H. Adler, general manager of the big development.

Civic personalities representing Torrance and the surrounding community have been invited to attend the event considered to be one of the most significant in the history of the area.

Work on the multi-million dollar project, with a huge May Co. department store as a central attraction, will proceed rapidly under the management of the Brody Investment Co.

Cage League For School Boys Slated

A 24-team cage league for elementary age boys has been set up by the Torrance Recreation Department and play in the loop will begin soon.

The league will be divided into two groups, a PeeWee circuit for boys in the fifth and sixth elementary grades, and a Midget loop for youngsters in the seventh and eighth grades.

All games will be played on Saturdays at the following city playground areas: Carr School, Crenshaw School, McMaster Park, Torrance Park, Fern-Greenwood School, Pueblo Center, Meadow Park School, Walteria School, Walteria Park, Seaside School and El Retiro Park.

Fathers interested in coaching or managing a team are requested to contact the play leader in their area. A Father and Son awards banquet will conclude the cage season.

Further information may be obtained by calling Les Breitenfeldt at the recreation department, FA 8-4108.

Legion Post To Fete '55 Team Players

Last year's Junior American Legion baseball club will be feted by the local post Saturday night at the Legion Hall.

The Torrance Recreation Department and the Legion have made plans to organize a six or eight team league this summer. Because of the great number of boys who are too old to play Babe Ruth ball it has been suggested that a senior league be set up. From this league a Junior Legion team could be selected.

Del Nuzum, North High School coach, will again take over the coaching duties.

American Legion baseball has grown through the years not only in enrollment of boys competing in the program, but in the continued acceptance and support from organized baseball, newspapers, and thousands of individuals who recognize the program as a great activity for the building of character.

A Saint Patrick's Dance on March 17, has been scheduled by the local post to raise funds for uniforms.

FHA Terms Approved for Rollingwood

Approval of FHA approved financing for Rollingwood Estates in Palos Verdes has been announced here by James H. McCarthy, vice president of the McCarthy Co., pioneer land developers who are acting as sales agents for the tract.

"Both construction and materials were praised for their quality," McCarthy pointed out, "with the result that the homes are eligible for remarkably high loans."

The three and four-bedroom, two-bath homes range in price from \$18,500 to \$24,250 and feature a family room in the larger models while the more compact plan has a convertible den-bedroom.

Down payments needed under FHA financing will start at \$4500, McCarthy reported.

Seven furnished models are now available for inspection. The homes are located above Palos Verdes Drive North on Montemalaga Dr.

RAPID GROWTH

A normal dairy calf, such as a Holstein, develops from a birth weight of about 91 pounds to an average of 1075 pounds within a two year period.

...Drale to Run

(Continued From Page 1)
Now engaged in the real estate profession, Dralle spent 20 years at Columbia Steel Co. before taking over the B. C. Buxton real estate firm. Buxton is one of the city's pioneer businessmen. During Dralle's employment at the steel mill, he served at one time as vice president of the Milky Williams Local 1414, United Steelworkers of America.

Has Three Children
His wife, Fran, operates Fran's Letter Shop and shares offices with Dralle on Torrance Blvd. The couple has two sons: Michael, 17, a student at North High School, Steve, 10, who attends Carr Elementary School and a daughter, Patti, 9, also a student at Carr School.

He is a member of the St. Andrew's Episcopal Church, an active Shriner, member of the F. & A. M. Lodge 447 of Torrance, and the Torrance Elks.

Couple Dies

(Continued From Page 1)
by four brothers, Everett G. Davis, of Rivera; H. D. Davis, of Whittier; Briton Davis, of Los Angeles; and Lee Davis, of Encino; and three sisters, Mrs. Bessie Grove, of Rolling Hills; Mrs. Lois Wohlwend, of South Pasadena; and Mrs. Eve Allen, of Los Angeles.

Woman Stabs Self Monday

A local housewife is in County Hospital with stab wounds after she apparently stabbed herself in the chest and head Monday.

Nancy Hatch, 24, of 2502 Loftyview, was taken to Harbor General Hospital, then placed under the care of her physician and transferred to the county hospital. Her husband told police she stuck herself in the chest with a carving fork and in the forehead with a pen.

She reportedly has been under the care of a San Pedro doctor. No motive was given for the self-inflicted wounds.

active in the Torrance Civic Club.

"I am seeking office for my third term because I feel that my experience in the past eight years can be put to greater service to Torrance at this time."

Other candidates will have until noon, Friday, Feb. 16, to file nominations for the City Council.

PERFORMANCE made it the Largest Selling "8" in the World...

the FORD V-8

Just look at these official registration figures for the first 11 months—January through November, 1955

	Car Sales	Ford Sales Leadership
FORD V-8	1,241,742
Car C—V-8	634,376607,366
Car P—V-8	262,870978,872
Car C—Six	845,153396,589
Car P—Six	334,540907,202

Here's why!

People just naturally go for 8 cylinders in the FORD package! And to a world record extent! Just think, in the first 11 months of 1955 alone, 344,496 more people bought Ford V-8's than the two other low-priced competitive eights combined! Of course, the reason the Ford V-8 is the largest selling eight-cylinder car in the world is that more people like its brand of performance—the kind that comes with the car!

These people aren't amateurs in judging engines. Nearly 24 years of building Ford V-8's to supply their demand is convincing proof of that. And the Ford V-8 of today is the best yet... by a country mile!

Smother and quieter—you can scarcely hear it, even with the hood up!

Sassier—just ask the highway patrol officer who drives one. He knows it takes a Ford to catch a Ford! And, for the very practical question of durability—ask a Ford cab driver. He knows how Fords take it days on end. So, if it's performance that you want—and wrapped like a gift—the '56 Ford V-8 is your baby. Come in... try it today!
